It is the common denominator that touches every dimension of your life - mind, body and spirit. Every thought that passes through your mind, every word that you speak, every muscle you move, every beat of your heart depends on the steady flow of oxygen to every one of the 50 trillion cells in your body.

Although the breath is automatic, we can consciously control it. Modern science and thousands of years of experience have shown us that conscious control of the breath can lead to dramatic changes to your mind, body and emotions. It impacts your health, your ability to heal, your emotional intelligence and wellbeing, your mental, physical, and creative performance, as well as your spiritual experience.

Conscious breathing techniques are routinely used by fighter pilots, astronauts, elite climbers and divers, Olympic athletes, Zen archers, dancers, musicians, actors and performing artists, as well as healing professionals from every discipline, and spiritual seekers from all traditions.

Perfect Breathing: Transform Your Life One Breath at a Time can help lead you to this remarkable source of energy, awareness and health. Grounded in cutting edge science and research as well as fascinating interviews with renowned experts and peak-performers, Perfect Breathing shows you how you can easily take advantage of this powerful source of energy, awareness, and healing in your personal and professional life in just minutes a day.
